

PARENT AND CARER COFFEE MORNING

BRIGHTERLIFECARE

BrighterLifeCare are running a coffee morning for parents and carers of children, young people and adults with special educational needs and disabilities.

We aim to offer a friendly relaxed atmosphere which gives parents and carers the opportunity to chat to others in similar situations to themselves and also learn more about the services we can offer, and discover ways in which we can help support individuals with additional needs.

Everyone welcome!

Saturday 25th February 2017

10am - 12pm
